

Ecological and Engineering-Geological
investigation history scheme
Of the project area.
K-43- (Pulkovo 1942)
Archives of The Kirghiz State Geological Agency.

1. Galanin V.V., Morozov V.G., Lugovoi A.I., Chekina S.A., and Ivanov V.V. (1982). Reports of results Engineering-Geological surveys in east part of Chu basin in limits of sheet K-43-42-Г (trapeziums) and part of sheets (trapeziums) K-43-43-A; Б; В, Г; А, Б and Engineering-Geological researches of terrain of sheet (trapeziums) K-43-42-Б for melioration. Scale 1: 50 000

2. L'ynov T.D. (1997) Reports about works of detailed explorations of underwaters of a submontane zone of an interfluvium of Kar-Balta - Ala-Archa (works Northern-Kyrgyzian geological expedition of State Agency on geology and mineral resources for 1990-1997 years.) Sheets (trapeziums): K-43-40-Г-б, г; K-43-41-Б; K-43-41-Г; K-43-52-А-а-1,2; б-1,2; K-43-52-Б-а-1,2; б-1,2; K-43-53-А-а-1,2; б-1,2; K-43-53-Б-а-1,2; б-1,2 .

3. Baeva N.B. (1999) Conditions of groundwater pollution of a central part of Chu basin. Reports Northern-Kyrgyzian geological expedition of State Agency on geology and mineral resources about works of geological-ecological researches and mapping scale 1: 50 000 in 1992-1999 years. Sheets (trapeziums): K-43-30-Б, K-43-42-А, Б, В, Г.
